

November 2009 Training in Roswell

If your State of New Mexico application to carry a concealed handgun was recently denied due to insufficient training, please read the information below.

Evidence obtained by the New Mexico Department of Public Safety (NMDPS) indicates that instruction provided to you by Mr. Stephen Bare and Mr. Raymond Lunsford fails to fulfill statutorily mandated training requirements. Their instructor approvals have been revoked. A firearms training course not less than 15 hours in length and demonstration of your ability to safely use a handgun is required by law (29-19-7 A. NMSA 1978) and by New Mexico Administrative Code (10.8.2.15 NMAC).

The NMDPS is offering the required training at no cost to you or you may seek instruction from a current DPS approved concealed carry instructor. NMDPS will offer one final class November 7th and 8th, 2009, at MISTIC (MATRIX International Security Training and Intelligence Center in Roswell, NM. The address is 122 Will Rogers Road, 88203. The entrance to the facility is off of YO Road. Training will begin at 8:00 AM. This course will also be posted on our website www.dps.nm.org (click on the concealed carry link). If you plan to attend, call the Concealed Carry Unit at (505) 841-8053 or send an e-mail to peggy.walker@state.nm.us to register. *

Participants must provide their own handgun/s, ammunition, eye and ear protection. The category/caliber handgun(s) you shoot will be recorded on the back of your license. If the category/caliber or mailing address differs from the initial information you provided in your application, you must surrender your license (if one has already been issued) at the end of class. A new license will be issued reflecting the appropriate changes. Handguns and/or ammunition **ARE NOT** permitted in classrooms.

*You are only eligible for this class if you were a student of Mr. Bare/Mr. Lunsford and submitted an application to NMDPS and your check was cashed. This is NOT a renewal class. This is "make-up" training. Your eligibility will be verified prior to admission.
