45 Citations in Two Hours

Santa Fe – Monday morning State Police Officers saturated the interstate and issued 45 citations.

Five (5) State Police Officers with the Santa Fe and Albuquerque offices saturated the north and south bound lanes of Interstate 25 near Algodones this morning, from 6:30 to 8:30 seeking out traffic infractions. Within hours the officers issued forty-five citations. The majority of the citations issued were speeding and a few were for other infractions.

Traffic Enforcement Operations such as these will continue, and have effectively deterred aggressive driving.
