CrimeStoppers Reward for Info in Missing Person Case

Santa Fe—CrimeStoppers is offering a reward of up to \$1000 for information that would help the State Police locate missing hunter Mel Nadel. The family of Mel Nadel continues to ask for any and all information that will help State Police find him.

Mel was last seen Sunday evening September 6th while on a hunting trip near Elk Mountain in the Santa Fe National Forest near Pecos. His truck, camping equipment and supplies were found near the hunting camp he was sharing with friends.

An extensive search by state search and rescue crews, other state resources and the family have not been successful in locating Mel. A final search in the area was not successful in locating Mel or any sign of him. Ground crews with specially trained dogs combed the area this past weekend.

Anyone with information should call **CrimeStoppers at (505) 955-5050**.
