Santa Fe Sobriety Checkpoint

Albuquerque - State Police and the Bernalillo County Sheriffs Office will be conducting a sobriety checkpoint on Friday evening December 4th in the Bernalillo County area.

Our joint efforts continue to show a significant reduction in alcohol related fatalities. This is attributed to the continued media attention, intensive advertising, and these checkpoints are all helping to change society's attitude about drunk driving.

###

Media is welcome to attend, if interested please contact Lieutenant Eric F. Garcia at 939-6830.
