22 Month Old Dies

Hobbs – Jadyden Sagala, 22 month old of Hobbs, New Mexico died while she was playing in the yard.

Officers and Emergency Medical personnel with the city of Hobbs and the New Mexico State Police responded to 2402 E. Stanolind Rd. yesterday evening for a report of a child that was run over. Upon the officers arrival they learned that Jorge L. Saenz Jr. 26 of Hobbs was at the Sagala residence working on a fence line. Jadyden and her siblings were playing in the front yard when Saenz was traveling across the yard in his 1999 Ford pick-up, Jadyden wandered in front of the pick-up and she was run over with the left front tire.

Jadyden was transported to the Lea County Regional Hospital where she later died as a result of the injuries. There were no other children injured and the report will be submitted to the district Attorney's office for review. Alcohol does not appear to be a contributing factor.
