Las Cruces - State Police are investigating the death of Corrina Robinson-Dominguez, 33, of California.

Agents with the Las Cruces State Police office were dispatched to Interstate – 10 just after 10:30 this morning, upon the agents arrival they learned that Corrina and her nine year old daughter were traveling from California to Oklahoma to visit a family member. They also learned that upon approach of mile post 118 on I-10 Corrina slowed the vehicle to a stop in the left lane took a handgun she had within the vehicle, told her daughter to shoot her for an unknown reason. The daughter refused and Corrina subsequently shot herself with a fatal wound to the chest.

The nine year old was taken to the Las Cruces State Police office where they are awaiting the father's arrival from California. The Investigators reported the daughter was physically ok from this morning incident, however very upset. Corrina Robinson-Dominguez was transported to the Office of the Medical Investigator for autopsy; those results should be available in two to three weeks.
