### Hazardous Materials Leak

Farmington-New Mexico State Police is on-scene at a natural gas pipeline rupture at a pipeline station off of Chaco Road adjacent to milepost 97 on NM Highway 371. This location is approximately 9 miles south of NAPI. The rupture is from a 4" line that became ruptured while being serviced by Enterprise pipeline personnel.

Personnel from Enterprise gas company are on scene and attempting to shut the valve off to stop leak.

NM Highway 371 is closed at milepost 97 in both north and south directions due to this incident. Navajo Police are attempting to establish a detour route in the event this road closure becomes long term.
